

## **Mayor's Message**

As the Mayor of Winnipeg, I am pleased to welcome everyone to the Canadian Society of Transplantation's 2023 Annual Scientific Meeting.

Getting together with other physicians, surgeons, scientists and health care professionals to network and learn from one another helps build community and promotes quality care for all Canadians.

Thank you for choosing Winnipeg as this year's location. If you are visiting from out-of-town, I encourage you to take the opportunity to explore our city.

Winnipeg is an incredibly exciting, vibrant and dynamic city. From museums and galleries to theaters and festivals, there is always something going on in our city that celebrates the rich heritage and traditions of the many diverse communities that call Winnipeg home. The Winnipeg Art Gallery, the Leaf at the Assiniboine Park, the Manitoba Museum, and the Canadian Museum for Human Rights are just a few of the wide variety of cultural institutions.

On behalf of the City of Winnipeg and my Council colleagues, sending well wishes to all attendees for a productive and educational annual meeting.

Sincerely,

A handwritten signature in black ink, appearing to read "S. Gillingham", written over a faint, light blue grid background.

Mayor Scott Gillingham  
The City of Winnipeg
